

This year, discover polyamides that outperform the competition.

Arkema's Technical Polymers Business Unit joins Omnexus, a division of SpecialChem, in launching the Polyamide 11 & 12 Technical Center — an online resource to assist designers and engineers in developing innovative products featuring the unique properties of Rilsan® polyamides.

Visit the Polyamide 11 & 12 Technical Center at: [www.omnexus.com/TC/PA11-PA12](http://www.omnexus.com/TC/PA11-PA12)
